Scalabrini International Migration Institute

Importants Dates:

- **January 15, 2011:** Deadline for receipt of abstracts.
- **February 15:** Selection and communication of accepted papers.
- **April 15:** Deadline for receipt of final versions of papers.
- **May 18 - 20, 2011:** **Congress**

Requirements for abstracts

Those interested in participating should submit an abstract with the title of the paper and the thematic in which enrolled. The abstract should comprise between 1,500 and 2,000 words (5 pages), in Times New Roman 12 point, with double spacing. Abstracts will be received in English, Spanish and French. The proposal must be accompanied by basic information about the author: full name, email, work or study, position or career, exact address and telephone and a brief biographical sketch of no more than 250 words.

Participation conditions

The organizing institutions are seeking funds to cover expenses of a limited number of participants. However due to limited resources, the organizing committee recommends those interested to seek the pursuit of their own resources.
